The Wind Ensembles

Concert Choir

Concert Choir, the central choral ensemble at Allen Park High School, performs a diverse repertoire composed/arranged for SATB choir. Students in this ensemble build primary vocal technique and music literacy skills. Students are required to attend all performances, festivals, and state and local community events scheduled the director.

The Wind Ensembles

Concert Band

The Concert Band is composed of freshmen and upperclassmen with prior instrument playing experience. This class focuses on the continued development of instrument technique, musicianship, and music literacy. The Concert Band is a performing ensemble as part of the Allen Park High School Marching Band and includes various other performance requirements. Students grades are composed of mandatory performances (during and after school) including Michigan Schools Band and Orchestra Association (MSBOA) festivals, APHS events, and community events, as well as in-class music journal work, focusing on basic music theory, ear training, solfege, and history.

Symphonic Band

The Symphonic Band is a performance-oriented ensemble composed of upperclassmen. This intermediate-advanced ensemble places a heightened emphasis on the development of a well-rounded musician as preparation for college or as community band members. Symphonic Band members participate in the Marching Band in the fall and study concert band literature in the winter. Students grades are composed of mandatory performances (during and after school) including Michigan Schools Band and Orchestra Association (MSBOA) festivals, APHS events, and community events, as well as in-class music journal work, focusing on advanced level music theory, ear training, solfege, and history.

Jazz Band

Jazz Band is designed for students who are interested in the performance and mastery of literature written for Jazz Band. All students must audition for the ensemble and will be recommended by the director for admission into this group. This ensemble places emphasis is on advanced instrumental techniques and performance of jazz music standards. The Jazz Band meets for 1.5 hours a week and performs at concerts, competitions, and music festivals.
