Thursday, October 20, 2022 at 6:30PM

The Allen Park Public Schools Center of the Arts

Jaylon Sims, Director of Bands & Choirs

Nicole Smith, Color Guard Instructor

Tammy Albrecht, Majorette Instructor

The Wind Ensembles

Concert Band

The Concert Band is composed of freshmen and upperclassmen with prior instrument playing experience. This class focuses on the continued development of instrument technique, musicianship, and music literacy. The Concert Band is a performing ensemble as part of the Allen Park High School Marching Band and includes various other performance requirements. Students' grades are composed of mandatory performances (during and after school) including Michigan Schools Band and Orchestra Association (MSBOA) festivals, APHS events, and community events, as well as in-class music journal work, focusing on basic music theory, ear training, solfege, and history.

Symphonic Band

The Symphonic Band is a performance-oriented ensemble composed of upperclassmen. This intermediate-advanced ensemble places a heightened emphasis on the development of a well-rounded musician as preparation for college or as community band members. Symphonic Band members participate in the Marching Band in the fall and study concert band literature in the winter. Students' grades are composed of mandatory performances (during and after school) including Michigan Schools Band and Orchestra Association (MSBOA) festivals, APHS events, and community events, as well as in-class music journal work, focusing on advanced level music theory, ear training, solfege, and history.

Marching Jags

The Allen Park High School Marching Jags is an extra-curricular ensemble that performs a variety of music each year. Members of the Marching Jags learn a variety of techniques in preparation for the APHSMB season as well as collegiate level marching. The Allen Park High School Marching Jags perform at home football games, parades, marching band invitationals, and college events.
